

WHAT DO YOU MEME? [The GIF Edition]

Find 2 or more friends, and sit around a table. If you don't have 2 or more friends, try joining a kickball league.

[Setup]

The cards that look like this are Caption Cards. Because they have captions on them.

Start by dealing 7 Caption Cards to each player. The person with the most Instagram followers typically starts as the judge—unless they bought followers, in which case please slap them firmly in the face.

[How to play]

The judge chooses a Photo Card or GIF to play on their round.

[What Do You Meme?]

If they want a Photo Card, then draw one from the pile of classic memes. If they want a GIF, scan the QR code on that fancy-schmancy GIF Card. A random GIF will pop up from an ever-changing collection of 'em. We told you it was fancy.

Place your phone or the Photo Card on that sexy easel so everyone can see.

Everyone else pairs the funniest of their 7 Caption Cards with the Photo Card (or GIF) in play and passes it to the judge face down.

Once the judge has received a Caption Card from each player, they shuffle them and read them out loud. The judge picks the funniest one. Whoever played that card wins the round. The winner keeps the Caption Card as a point.

After the winner celebrates, everyone draws back up to 7 Caption Cards, and the player to the judge's left becomes the new judge.

[How to win]

Keep playing until you get hungry, at which point stop playing and order a pizza. Whoever has the most points at the end wins.

One more thing: You can always add your own Photo Cards to the game. You can't imagine how funny it is to meme people you know in real life.
